Re: Congratulatory Message on your Re-election as President

The Oromo Liberation Front-Oromo Liberation Army (OLF-OLA) warmly congratulates H.E. Hassan Sheikh Mohamud on his historic re-election as the 10th President of the Federal Republic of Somalia following a long overdue election held in the capital Mogadishu. We, at the OLF-OLA, send our best wishes for your success as you prepare to take up the responsibilities and challenges of this high office.

With a triumphant come-back—a clear rebuke to the governance mechanisms and regional associations of the past few years—you have been entrusted with the responsibility to reverse course for the better by the representatives of the people of Somalia.

The Oromo people and its leadership value and cherish the strong socio-economic, cultural and linguistic ties between our two peoples. We look forward to working with you as we not only foster the bonds between our peoples but also create a peaceful region that is at peace with the rest of the world. As the famine and acute insecurity continue to threaten the wellbeing of our peoples, the need for a concerted collective action across the region cannot be overemphasized.

OLF-OLA High Command
