حرارة تحرير شباب أورومو

Lakk. IQBO/11/2022  
No. IQBO/11/2022

**A call for all Oromians who live in and outside the Country.**

**(NOYM: November 4,2022)**

Even though the Oromo people have played a big role in the actions they take from time to time since they were forced into slavery, they have not been able to establish their own country and use their resources and use their resources to claim ownership of their country.

It is not because Oromo stops from struggling for a minute, it is because they are disorganized and unable to do the same struggle.

Right now, the oppressor ruler has no shame at all, he is also committing genocide in all prison zones to make the Oromo people not to be a threat to the Ethiopian Empire.

This is the result of the massacre that was not done even by the previous rulers using drones and MiGs, it has made it a place of mourning and mourning for no reason.

The imperial forces have decided to create a conflict on Tigray after agreeing with the TPLF.

Oromo village has been a place of sorrow and weeping for the past four years, by the prosperity rulers, all Oromo mothers pouring her tear day and night. This has to come to an end.

Right now, the Oromo Liberation Army is at its last stage of the struggle where it will strengthen its capacity in all directions and destroy the enemy and bring peace.

Therefore, all Oromos will pass to a new chapter by helping the Oromo Liberation Army in all Oromia zones. The Oromo people should strengthen themselves more than ever and destroy the enemy's power.

**Blocking the roads of the enemy forces in Oromia and obstruct them (cutting off transport)**

**Giving information and different supports to Qerro Bilisuma and Oromo Liberation Army**

**Imposing economic sanctions and interrupting various infrastructures in cities.**

**If these things are given attention and implemented, it is possible that the Oromo people have left their part in the struggle that is going on.**

**Any one working against this decree will take responsibility for him or herself. Qerro Bilisuma will solve the problems that are difficult for these works and make appropriate facilitations.**

**The duration of this strike will be from tomorrow 26.02.2015 for five days until 01 .03.2015 . If anything changes we will let you know.**

**In order to put an end to the problems and suffering that our people around the world, you have to force the world to turn its eyes on Oromia. Many human rights violations will be carried out in the wide Oromia. By exposing this in different ways,we urge you to fulfill your patriotic duty of Oromian to reach the Oromians cause and suffering to international Communities.**

**With our struggle and coordinated effort,we will make ourselves respected. We will put an end to the tyrant rulers and we will bring peace to our people.**

**Victory to the Oromo and all oppressed people**

**November 04, 2022**
